Rejuvenation to take Place at the Tennis Club!

Work will commence on **Monday 23rd May** on all six tennis courts at the club to rejuvenate the surface and make them drain again enabling tennis to be played in adverse weather conditions and with the knowledge that with the correct tennis footwear the surface will not be slippery. However it is necessary to note players do play at their own risk, if you think the courts are dangerous or unfit *do not* play.

Pocklington courts to be rejuvenated.unfortunately we cannot do anything about the weather

A Mixed Start to the Season

After three weeks of matches in the Driffield League there have been a mixed bag of results. There has been a worrying trend in the leagues with various clubs pulling teams out for a number of different reasons, the main being club's not having enough players to make up a team. Malton Men have pulled out their A team, Hutton Cranswick Mixed B and Flamborough Mixed teams have actually dropped out, with Brandesburton conceding due to only having one man to play!

These trends are reflected in Pocklington too with the selectors scrambling around for players. The reins have been handed over to the captains, so please make the effort to play. If you wish to play in the top teams, commitment is required. Otherwise it makes an impossible task for the D & E teams as their players are moved upwards. Tying players needs careful consideration too. It is the choice of the individual player whether they are tied to a team above.

- Best wishes and a speedy recovery go to **Nigel Bartram & Fiona Lambert** who sustained injuries in this weeks matches. See you both back soon.

Good luck to all teams, enjoy your tennis.

Sweets Vending Machine

There is now a vending machine in the clubhouse selling various sweets for £1 a tub.

Please do not over indulge on these, but if you need a sugar fix they are there. 20% of the takings go straight to the club

Club Nights

Saturday from 6pm

Sunday from 6pm

Monday from 6pm

See you there!

Notice of Extraordinary General Meeting

Tuesday 31st May 2016 at 6.00pm

The Clubhouse, Pocklington Tennis Club

A meeting called for slight changes to be made to the Club's constitution in order to fit the criteria for C.A.S.C. (Community Amateur Sports Clubs) status.

Cleaning Rota for the Clubhouse.

It has been proposed that a cleaning rota is introduced in the clubhouse. What are your views on this ? Please forward your views on this or any other subject to the club e-mail address info@pocklingtontennis.com

Water Leak Sorted

Paul Peka very kindly sorted out the water leak under the sink in the clubhouse with a bit of extra pipework. He has labelled the tap which should be kept open until the winter time when the water can be drained out of the system. PLEASE remember to switch off the hot water after finishing the washing up !

Pocklington Tennis Club to host Police Tournament

The Tennis Club are pleased to host a tennis tournament on Friday 10th June. Our ever improving member, Stuart Barnett is organising this and we are hoping Stuart will star in his own show !

Good luck Stuart !

A really big thank you from Pocklington Tennis Club to **Stuart Barnett**, Stuart has recently done a great job in power washing the decking at the Club to make it safer for everyone. Care is still needed however when walking on it in wet conditions.

Thank you once again to **Mel Watson** who continues to persuade the businesses of Pocklington to sponsor and advertise with Pocklington Tennis Club. We would like to welcome Andrew Winn of Winn Tyres into the Club, our latest new sponsor.

If you know any business who may be interested in sponsoring or advertising with the club, please contact Mel. Please support these businesses and introduce yourself to them as being from the Tennis Club.
