

Pocklington Tennis Club would like to offer you a promotional opportunity to raise your profile through branding and PR, whilst supporting the expansion of a thriving key sporting facility in the Pocklington area, developing its facilities for future generations.

The club was established on the current site in 1921. It now has 6 all-weather Astroturf courts, meaning tennis is played all year. We currently have over 100 adult members and a large junior section, plus those non-members (adult and junior) who join us for one of our many regular coaching sessions with professional LTA licensed coaches. We have thriving, well attended all year club sessions as well as club and charity tournaments which attract further participants from around the region.

During the warmer months (April – August), our 17 teams play both home and away matches all around the area in both the Driffield and York Leagues. We have teams playing home matches 5 days a week. Clubs come from all over the East Riding of Yorkshire and York areas to play at the club.
