

POCKLINGTON TENNIS CLUB

SPONSORSHIP - 2022

ABOUT US

- Pocklington Tennis Club was established at its present site in 1921 and has grown into the area's premier tennis club as an LTA registered venue.
- The club has six all-weather courts, which were refurbished in December 2019 and a recently extended clubhouse with toilet facilities and changing area. We have floodlights installed on four of the six courts and an electronic gated entry system, open to both members and non-members.
- The club is much more than its facilities – with a thriving adult and junior membership of 300 and growing, the club supports teams throughout several local leagues, delivers a broad range of coaching programs and tennis camps, runs weekly social tennis sessions, and hosts club and charity tournaments.
- We firmly believe that tennis is for everybody and provide opportunities for coaching in schools, as well as fully accessible sessions hosted at the club, enabling disabled participation.
- We were immensely proud to be recognised by the LTA as Yorkshire Tennis Club of the Year in 2019 and, more recently, our Head Coach Sean Evans was awarded Development Coach of the Year for 2021.
