Aggressive or abusive behaviour to any other users of the Club, any representatives of visiting clubs or any of the Club's committee members will not be tolerated and may result in membership being revoked and/or a ban from using facilities at the Club.

Court Condition

Pocklington Tennis Club is committed to making every reasonable effort to ensure the Club's six courts are available for community use. However, individual users have the responsibility to ascertain whether it is safe to use the courts – factors for this include, but are not limited to, the prevailing weather conditions.

It is the user's responsibility to ensure that all those involved in playing tennis are made aware of the fact that they do so in all respects at their own risk.

Before commencing play, please ensure that you are wearing appropriate, clean footwear (we recommend changing into your tennis footwear at the seating area outside of the club house) and that the court is clear of any debris such as leaves and twigs. This helps in keeping the courts in optimal condition, making the playing experience as good as possible.

First Aid

It is the individual's own responsibility to make their own first aid arrangements, such as the provision of a first aid kit, there is no legal requirement for the Club to provide first aid facilities.

Equipment

Tennis shoes and kit should be worn at all times whilst on court. Participants should ensure footwear is cleaned before entering the court areas. It is the user's responsibility to provide their own racquets and balls (with the exception that balls will be provided during Club events).

Loss of Property

The Tennis Club cannot accept responsibility for damage to, or the loss or theft of, hirer's property and effects. It is the responsibility of the hirer to make his/her own insurance arrangements if required.

Car Parking

Cars shall not be parked so as to cause an obstruction at the entrance to, or exits from, the Club. In particular the Hirer must ensure that access to the Club and adjacent school by emergency vehicles is not obstructed or delayed. Cars are parked at the owner's risk.
